

ENTERPRISE RESOURCE PLANNING & SAP[®] CAPABILITIES STATEMENT

Distributed Information Technologies, Inc. (DIT) provides a full range of **IT Professional Services** and specializes in the delivery of information technology solutions in the functional areas of **Enterprise Asset Management (EAM)**, **GIS & Location-Based Business Intelligence (BI)**, **Mobile Computing** and **Enterprise Resource Planning (ERP)**. We strive daily to help our clients improve their operational and programmatic productivity and to provide high quality customer service. Based in Arlington, Virginia, DIT has successfully delivered solutions for the Federal Government (DOD & Civilian Agencies), commercial companies and non-profit organizations.

DIT's **Enterprise Resource Planning (ERP)** practice provides functional consulting and SAP implementation, upgrade and production support services. Our consultants are SAP certified and have an average of fifteen (15) years experience across a variety of industries, lines of business, SAP modules and SAP versions.
